

SAXON SCOOP

..... New Year Edition

Let's talk about Home Insurance. If the past two years have taught us anything, it's to expect the unexpected, protect yourself and take precautions to avoid disaster. The same steps are exactly what steps you need to take to protect your home from the unexpected. Aside from Hurricanes, disaster can strike at anytime and with the wrong coverage, you could end up paying for repairs out of pocket. Ask yourself these simple questions:

1. When was the last time you evaluated the rebuilding cost of your property?
2. Does your current policy reflect your current property rebuilding value?
3. What's actually covered by your home insurance?
4. Are you aware of what your deductible is for Catastrophic or Hurricane claims?

Our team of experienced agents are here to guide you every step of the way and answer any questions you may have. Don't have your home insurance with Saxon? Get a quote online today by clicking [here](#).

New Year, New You!

We have all been through a lot of challenges over the past two years and with that, we may have adopted some unhealthy habits. Try these **7** things to be a better you and start 2022 with a step in the right direction.

1. **Maintain a Balanced Diet.** Add a variety of fruits, vegetables and protein to your diet. Avoid excess salt and sugar.
2. **Stay Hydrated.** Water is so important for a healthier lifestyle. Try and drink at least 8 glasses of water a day and feel the difference!
3. **Get Enough Sleep.** Sometimes we all just need to switch off and wind down. Be sure to rest not only for your physical wellbeing but your mental wellness.
4. **Wash Your Hands.** This one is important even before the Covid-19 pandemic. Think of all the surfaces you touch in a day and how many times your hands touch your face.
5. **Manage Stress.** Life can have its ups and downs but remember to always take time out for you. Try yoga, go to the beach or read a good book. Learn to master the art of doing nothing sometimes, your body will appreciate it.
6. **Drop a Bad Habit.** No matter how big or small, a bad habit is a bad habit. See what you can change this year to become a healthier, better you.
7. **Protect Your Skin.** We have all gotten used to wearing a mask, so why not protect your skin as well? Sunscreen is so important - so next time you leave the house, remember to protect your skin too!

Not All Heroes Wear Capes.

National Heroes Day is Monday, January 24th and this year, let's take the time to appreciate some unsung heroes over the past 2 years.

- The Cayman Islands Health Services Authority
- Public Health
- Nurses & Doctors
- Teachers
- Volunteers
- The Cayman Islands Government

Meet Al-Andre!

In our third edition of the Saxon Scoop we are again showcasing the faces behind Team Saxon who are dedicated to providing unbeatable customer service to our customers.

Al-Andre is fairly new to the Saxon family but he has already proven his value and is loved by all of his clients. Going above and beyond is the norm for this young, driven car fanatic who has a passion for Information Technology and hopes to one day pursue a degree in the IT world. Al also owns his own business and is a man of many talents however none match his kind disposition and eagerness to lend a helping hand - two things we highly value at Saxon.
